------------------------	---------------	-----------------------

TO: ALL DEPARTMENT AND AGENCY HEADS

SUBJECT: Increased Minimum Wage

This bulletin supersedes Budget Bulletin G-1032. The Fair Minimum Wage Act of 2007 (Public Law 110-28) amended the Fair Labor Standards Act (FLSA) increasing the Federal minimum wage from the current level of \$7.15 per hour to \$7.25, effective July 24, 2009.

Accordingly, the minimum wage paid to all hourly, seasonal, and other non-statutory positions for which the Director of Budget establishes the rate of pay will be increased to \$7.25 per hour. To effectuate this increase, agencies should process compensation adjustments in NYSTEP and pay rate changes in PAYSERV, as appropriate.

For more detailed information on the application of the minimum wage increases to union-represented seasonal employees, please refer to appropriate collective bargaining agreements.

Any questions regarding this Bulletin should be directed to the Labor Relations Section in the Division of the Budget at 473-7147.
